Inside is:

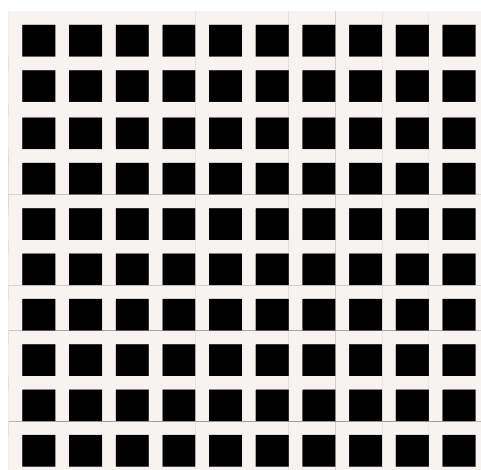

The 100 images to be printed individually
> « Dads-and-Mums-photos »

or on a panel bringing together the whole (mise-en-page.tif)

These generated images must be printed in the format closest to the original
image
(12.6 x 12.6 cm)

The original image accompanied by a text (photo-originale-plus-texte.pdf) is to be
printed on an A4 format

Scenography

The images generated must be hung on a wall forming a regular image mosaic.

The images can for example be a mosaic of 10 images x 10 images leaving a space of 9 cm between them.

The original image accompanied by the text (photo-originale-plus-texte.pdf) hangs next to the mosaic.
